Dear Engaged Couples,

Marriage Preparation is specifically intended for those, who want to build the best relationship you can, prior to the day you marry. The program is designed for couples who are willing to devote time to discuss issues related to the quality of your prospective, lifelong relationship. The purpose of this program is to provide you with opportunity to dialogue and learn how to:

- discover more about yourself and your future spouse;
- help you better evaluate the quality of your relationship;
- facilitate the development of marriage “skills” that will help you journey better through marriage;
- invite you to discuss the meaning of the “marriage in the Lord” as well as marriage as the sacrament;
- inform you about the necessary steps in preparing for your marriage in the Catholic Church;
- discover what it means to love one person enough to choose a life-long commitment.

Marriage Preparation is a gift to you from the Church. You and your marriage are precious to us.

With our Prayers,

Marriage Preparation Team

John 15,13

‘There is no greater love than to lay down one’s life for one’s friend.’

So that the “I do” of the spouses may be a free and responsible act and so that the marriage covenant may have solid lasting human & Christian foundations, preparation for marriage is of prime importance... Catechism of the Catholic Church (CCC) 1632
