Breathe making room for Sabbath

The Breathe Study Journal includes 5 sessions of teaching by Priscilla Shirer with 4 weeks of homework in a reflective, journaling format. One of the greatest challenges among women in our culture is taking time to stop and cease from all the activities and busyness and just breathe. We are in bondage to busyness. We constantly strive to complete the limitless to-do lists that hinder us from experiencing all that God has for us. We miss the moments

because we rush ahead to the next thing. By neglecting time for tranquility, serenity, and repose, we limit our Christlikeness and miss out on some of God's greatest gifts. It is time for us to breathe and build margin into our lives for God. If you are weary, worn out, and exhausted the concept of Sabbath will change your life.

The idea of *witness* is very important to us as Catholics. Our faith is strengthened and moved to action by the great "cloud of witnesses" around us. Simply put, we learn by example. This new documentary series features six incredible witnesses from people who have profoundly encountered Christ and are now living like Him—people who make this world more closely resemble the next.

DVD Series

The Wild Goose

This series is fourteen independent segments dealing with different experiences of the Holy Spirit. For the most part, each segment stands on its own so you do not have to watch them in any particular order. However, the first three segments give a type of foundation to the others, so it is suggested that you start with these. After that, ask the Spirit to lead you in what to watch next and go with that.

Biblical study

The Great Adventure Bible Study Program DVD with Leaders Guide

The Great Adventure Bible Study Program The Great Adventure Bible Study Seminar teaches you the simplest way to approach the Bible by identifying a list of books that tell the story from start to finish. You will begin with them, reading them chronologically so as to get the "big picture." When we remove the books that duplicate information, there are twelve such books in the Old Testament and, for the sake of simplicity, two in the New Testament. Anyone who reads these fourteen books will have a rough sequential knowledge of the history of the people of Israel and the beginnings of the Christian Church.

Is Your Life Working?

Most of us are trying to put together the jigsaw puzzle we call life without a very important piece. Over time this becomes incredibly frustrating. In this extraordinary book, Matthew Kelly powerfully demonstrates that we cannot live the life we have imagined, or experience the joy we yearn for, unless we learn to tend the soul. From there, with his classic style of practical wisdom, he teaches us how to remedy this problem.

Preface by Cardinal Donald Wuerl In this beautifully written book, acclaimed Scripture scholar Fr. Thomas Rosica offers reflections on the words of Jesus as he died on the cross. Interwoven with inspiration from St. Teresa of Calcutta, Pope Francis, Pope Benedict, and Pope John Paul I, these profound reflections invite us to consider our own frailties, fear of death, and thirst for justice in a modern world.
